Blugold Summer Hockey Camps 2011

Taught by Professional Educators
Sponsored by UW-Eau Claire Department of Athletics

Letter to Players and Parents

It is our desire to provide the players who attend the Blugold Summer Hockey Programs with the finest instruction available.

The summer camps provide players with the opportunity of working to improve their fundamental skills and tactical elements in the game of hockey. We will teach all the basics of skating, stick skills and tactical situations through progressive drills and repetition.

Our Objectives

To improve performance through:

- Individual instruction
- Development of skating and stick skills
- Tactical development
- Game competition
- Competitive play and sportsmanship

We hope you will join us in what promises to be a great summer hockey program.

NEW! Small Area Games

This year's Blugold Summer Hockey Camp will incorporate a new feature: **small area games**. These small area games are designed to focus on multiple skills while increasing puck handling time and exposure to game situations. These will be game-like competitive drills that utilize a reduced playing surface. In addition, fewer players will participate and there will be special rules and conditions.

Camp Medical Staff

A first responder will be on site and available throughout camp as a member of the camp staff.

Once registration is confirmed, each camper will be sent a health history form that must be prepared and signed by a parent of guardian.

Instructional Philosophy

We believe the value of a hockey program is only as good as the staff assembled. The instruction will be taught by professionals who are committed to teaching the game of hockey. The staff will be comprised of coaches with experiences ranging from professional hockey to collegiate hockey.

Coaches

Mike Collins

An 11 year head coach for UW-Eau Claire Blugold women's hockey team with over twenty years of head coaching experience at all levels including

college Division 3, Division 1, Junior "A" in Canada and minor pro. He has worked as a head instructor at two of Canada's elite hockey schools, Okanagan Hockey School in British Columbia and Huron Hockey School. Most recently he was the head instructor for Eau Claire Parks and Recreation hockey clinics. Teaching is his game.

Matt Loen

Matt is in his third year as head coach of the UW-Eau Claire men's hockey program. Previous experience includes; two years as an assistant coach

at UW-Eau Claire, one year as assistant with Memorial High School, and has played over 500 professional hockey games. Matt has been a veteran instructor in numerous developmental camps throughout the United States. Matt is born and raised in Minnesota and is a former Blugold All-American hockey player.

2011 Blugold Summer Hockey Camps

All camps are co-ed, unless specified. Individuals and families attending more than one camp will receive a 10 percent discount.

Blugold High School Boys Camp

This program is for players beginning or playing high school hockey. A seven-week schedule, played at a high level of competition. Game nights are Monday and Thursdays. Game time starts are: 6:15, 7:30 and 8:45 p.m. Each team will play a 14 game schedule. The teams will be selected by age, position and location. In order to make all teams competitive, we reserve the right to alter the rosters after week two of play. All games will be supervised with two game officials and coaches.

Dates and Times: June 13-July 28
Cost: \$240 per player, includes team jersey.

Mite Hockey Camps

Ages 5-8 (Two Sessions)

This program is based on fundamental skating and puck skills, along with classroom instruction. Each day will include two 45-minute on-ice sessions. **The featured All-Star game will be on Friday.** *NOTE: we recommend all Mite campers have at least one year skating experience.*

Dates and Time:
Session 1: July 11-July 15
Session 2: July 18-July 22
